

# **ADETS/PRIME for Life Program Schedule**

(16 hours)

## **TELEHEALTH/VIRTUAL SESSIONS November 2022**

PRIME for Life is an education program for adults and youth that focuses on alcohol and drug prevention and intervention. PRIME for Life is carefully selected to help people reduce their risk for alcohol and drug problems throughout their life. Information presented is based on documented research findings, rather than opinion, exaggerations, or scare tactics. This program is the approved curriculum for North Carolina's Alcohol and Drug Education Traffic School (ADETS).
